Re: IMPORTANT NOTICE REGARDING DISCONTINUANCE OF SERVICE

Dear Sir or Madam:

Effective November 1, 2011, XO Communications Services, LLC, and its affiliates, XO Virginia, LLC, and Telecommunication of Nevada, LLC (collectively "XO"), no longer will be providing "Carrier Long Distance Termination Services" or "VoIP Termination Services," both of which are switched inter-city termination products sold to XO Carrier Services customers on a wholesale basis. This discontinuance impacts service in the District of Columbia and all states except Alaska and Hawaii. You are receiving this notice because your company appears in XO's records as a "customer-of-record" of these services. As a result, we are furnishing you with notice sufficient to allow you to evaluate alternative providers, if you currently are using either or both of these services.

The Federal Communications Commission will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of XO Communications Services, LLC, XO Virginia, LLC, and Telecommunication of Nevada, LLC. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

If you have any questions, please contact your Account Executive or Customer Service Manager. We thank you for your business and look forward to continuing to serve you in other capacities.

Sincerely,

XO COMMUNICATIONS

Re: **Docket 11-155** (Competition Policy File Number 1011);  
XO Communications, LLC Section 63.71 Application: Supplemental Filing

Dear Ms. Dortch:

On September 14, 2011, XO Communications, LLC, ("XO"), through counsel, filed its application for discontinuance of certain wholesale termination services pursuant to section 63.71 of the Federal Communications Commission rules, 47 C.F.R. § 63.71(a). It appears that in the original filing, Exhibit A (copy of customer notice) may have been inadvertently omitted. To correct for this error, a copy of Exhibit A, as described in XO Communications' original application, is attached. In addition, by this filing, the Company confirms that the services in question are offered to customers in all US states except Alaska and Hawaii (the "lower 48 states"), as well as in the District of Columbia.

If there are any questions regarding this amendment filing or XO's application generally, please contact the undersigned. Thank you for your assistance with this matter.

Respectfully submitted,

Winafred Brantl
